It has been prepared with much care and indicates the depth of water at low tide at every point, the character of the bottom, and the course of the channel, the outline of the shore with the buildings thereon, and all light-houses, beacons, buoys and rocks. The map is finished at the Ceast Burvey office in Washington, and is very clearly printed. It is a very superfer client, and all who ever sail on on bay will be interested in examining it.

A good deal of interest was aroused, to day, by the marriage, at Trinity Church, of a daughter of a late prominent citizen to a gentleman of New York. There was to a gentleman of New York. There was a large turn out, the carriages filling Church Her crinoline floated her, and, chighing to that, the boys were kept above water, and the marriage was not intended to be public, the marriage was not intended to be public, a large number of people could not suppress their entiosity, but availed themselves of the feet of "going to church" to witness the ceremony and the parties. Everything was beautifully arranged, and the loc casion was a very pleasing one.

Opposite fact of Many si Paris Exposition GOLD MEDVI"

An Admitted Fact. It is admitted by all that ELIAS HOWE, Jr., Pro-Bers of The Howe Pinchine To., was arranded a BOLD BEDAL at the Parts Treposition. Also, It is admitted that the Grand Erics of the Legista of Boson was conferred upon ELIAS HOWE, 2., by the Emperor Napolson. They were the BRUHEST HONOIS ever awarded to a Sering Ma-chine Manufacture.

THE OSLY QUESTION IS:

For usual did ELIAS HOWE, An, restite them for well. Hustatered the Exposition as a MANN FACE PERER in Sewing Machines, not as "Monormer," Held not apply for or execute his Gall Media at Language. The second of the product of Mr. HOWE as a Processing of the MANI FACTURER of Sewing Medition, Mr. HOWE as a Processing of the MANI FACTURER of Sewing Medition, Mr. HOWE calls in Sewing as a Sewing Manifest as Delta, AND FOR NOTHING RISE.

The Group.-Mothers of young childrene so apt, at this season of the year, to be auxious over the prevalence of the croup. A lady, referring to this fact, writes as fel-

lows to the New Haven Register:
"I wish to send you my mother's recipe, which all who have tried it does infellible: which all who have tried it doem intellinte: Take one name of sweet oil, and add haif an ounce of gum copal. Apoly to the cliest, under the arms, the palms of the hands, and bollows of the feet. It will generally reliave the most severe case of croup in the minutes. Remember, use extensity, and drink hidenifolds of oad sever. terually, and drink plentifully of cold water."

The Governors of the several States with commendable quantitity are recommending to their respective Commonwealths the observance of Thursday, the 28th of this month, as a day of thankegiving and prayer. When that time is at hand it is probabie that the entire country from ocean to occan will be engaged in the simultaneous offering of thanks to Almighty God, for the blessings of the past and the promise of the future.

The dreay of the speculative branch of the petroleum business in Pennsylvania is slown by the decrease of the population of Pithole city.
